

SALK VACCINE SHOTS WILL BE GIVEN TUESDAY

Salk vaccine shots for approximately 200 Adams County youngsters will be available Tuesday evening at 5:30 o'clock at a clinic at the Warner Hospital, Dr. C. G. Crist, Adams County medical director, announced today.

The shots will be among the series of "first shots" given to children between the ages of one and 14 years under a program to provide the inoculations free of charge to children who otherwise would not receive them.

Last Tuesday 225 youngsters received "first shots" at the hospital clinic and prior to that time more than 300 children had been inoculated on the program.

It was hoped that the last of the "first shots" may be given Tuesday evening to conclude that phase of the program.

The state has promised to provide "second shots" in the series when the "first shots" have been exhausted.

Dr. Crist said that those who received their "first shots" four weeks ago, and who originally would have returned this week for the "second shots" will be notified later through The Gettysburg Times and WGCT of the date when the "second shots" will be given. The second inoculations will take place about eight weeks after the first were administered, according to present plans.

FROZEN EUROPE IS BEGINNING TO THAW OUT

By STANLEY GODFREY
LONDON (P)—Frozen Europe began to thaw out around the edges today as sunny spells melted snows in Italy and southern France.

But great areas of the Continent remained congealed under dying blizzards from Siberia. Giant snowdrifts reared across the Iberian Peninsula stalling trains and knocking out power lines.

Known deaths in the 26-day deep freeze mounted to 842 amid warning signs the thaw might prove almost as disastrous as the freeze.

Floods in South
Rescue teams in France and Italy swapped snowshovels for sandbags as rivers swollen by melting snows threatened villages and creeks.

A creeping landslide at Vasto, Italy, continued to engulf the community as streams of slush poured down the mountainside. Four hundred villagers were homeless. Others were being evacuated.

Springlike sunshine returned to most of the Mediterranean area with temperatures reaching 56 degrees in Rome and 50 in Marseille. Inland the thaw was slower in arriving.

Ease Hardships
The U.S. Army shipped 3,000 emergency ration packs to fishing villages of La Rochelle, France. Helicopters dropped food to an island on the icy Gironde River.

The French government slashed gas prices 20 per cent and eased vegetable taxes in an attempt to ease hardships.

England's southern counties remained a featureless spread of white. Troops dug around the clock to keep main traffic lanes open between the English channel ports.

Avalanche Warnings
Temperatures rose to 32 degrees in Western Germany with prospects for warmer weather tomorrow.

Avalanche warnings went out in the Austrian Alpine districts as temperatures of 35 degrees were forecast.

In the Low Countries there was no immediate sign of a thaw.

Latest known death toll by countries: France 230, Italy 105, Turkey 72, Yugoslavia 70, Netherlands 63, Britain 42, Denmark 42, Germany 39, Greece 30, Austria 22, Spain 21, Sweden 21, Belgium 18, Portugal 18, Norway 15, Switzerland 14 and Poland 4.

Police In Five States Seek Parents Of Abandoned Boy

TUCUMCARI, N.M. (P)—Authorities in five states today are working on various angles in attempts to learn something of the personal history of a child, about 3½ years old, who appeared cold and whimpering at a filling station near here Monday.

The boy, who has been given the name "Richard Roe" has been placed in a foster home here after being released from the Tucumcari General Hospital.

A report from a medical student in Philadelphia has brought the hurried shipment of medical records from there to see if he is the boy the student treated last summer. If so, that would make him the son of Carl and Sarah Stroud of Marshallton, Del.

Amarillo, Tex., police, on a warrant of felonious abandonment signed here, are looking for the couple after a tip they might be in the area.

Another possibility is that his parents are Mr. and Mrs. William Imman, formerly of St. Paul, Minn., and more recently listed as from Southgate, Calif. So far, attempts to locate the family there have failed.

Dr. A. T. Gordon says he thinks the tip from Pennsylvania is the best. Joseph Moll, now a senior at Jefferson Medical College in Philadelphia, told of treating the Stroud boy last summer at the Pottsville, Pa., Hospital where he served as an intern.

He said the boy had deformities that made him fall easily and that the bruises were apparently inflicted accidentally that way. He told of extracting teeth because the youngster would bite himself.

Dr. Gordon said that there are traces of deformities but that the boy here seems to be outgrowing them. He added that the thick nose, that appears to have been broken and reset badly, could be aggravated by a bone deficiency that accrued from improper diet.

PLAN PASSIVE RESISTANCE IN ALABAMA CRISIS

By THE ASSOCIATED PRESS
A nationwide passive resistance movement featuring work stoppages and mass fastings by the nation's Negroes today appeared a possibility if the lengthy Alabama racial crisis is not resolved in a short time.

The first step toward development of such a program was taken yesterday when Rep. Adam Clayton Powell (D-N.Y.) announced a call for a one-hour mass work stoppage by every Negro in the nation March 28 in support of the bus boycott at Montgomery, Ala.

Powell said Negro leaders meeting at the New York church where he is pastor agreed on the day of prayer March 28 which will be climaxed by a brief work stoppage. Members of all races and faiths were urged to join with the Negro demonstrators.

Prayed, Work Stoppage
The Negro pastor said it would be designated "National Deliverance Day of Prayer," with no Negro of any age attending school or working between 2 and 3 p.m.

A spokesman said this might be a forerunner to a possible "National Mahatma Gandhi-type movement." The late Indian leader made famous a passive resistance program of fasting and nonviolent opposition to British rule.

While plans for the work stoppage were being made in New York, Negroes walked the streets of Montgomery in a mass 24-hour pilgrimage to prove their willingness to walk if necessary to carry on their 11-week-old boycott in protest against segregation on city buses.

Plan Racial Commission
Ninety of them walked to the courthouse in Montgomery for arraignment on antiboycott indictments returned by a grand jury Tuesday. All pleaded innocent and their trials were set to start March 19. A court officer said 10 more warrants were outstanding. This brings the number of defendants to 100.

At the State Capitol, Gov. James E. Folsom of Alabama won support from about 75 newspaper editors and publishers and radio and television broadcasters for a proposed racial commission to settle differences between the white and Negro races.

Afterwards Folsom said: "Anybody with any sense knows that Negro children and white children are not going to school together in Alabama any time in the near future . . . in fact not in a long time."

At Charleston, S.C., Roy Wilkins, executive secretary of the National Assn. for the Advancement of Colored People, termed the indictment of 100 Montgomery Negro leaders "the Soviet communism method."

The new Rolling Acres Elementary was built in 1952, at a cost of \$488,760 when the one-room schools were abandoned and the consolidation of the Littlestown Jointure was completed.

Climax of the evening's feature was the appearance of Mr. and Mrs. King's son, Bob, in Air Force lieutenant's uniform, at the conclusion. Lt. King's wife and their son were unable to come from Newfoundland. The guest of honor accepted a

At the conclusion of the evening's affair, Mr. King and all who took part in "This Is Your Life" were guests at a luncheon party.

Variety Show First
Prior to the "This Is Your Life" presentation, the approximately 400 people in attendance enjoyed a Variety Show given in the form of a night club program. Richard Selby, local Jaycee, who is program director at the Gettysburg College, served as emcee, and entertained with jokes and varied introductions.

The program was as follows: Jaycee chorus line, composed of Albert J. Bair, William R. Keefer, Richard D. Thomas, Clyde Bucher, Billy R. Koons, Wilmer Dutterer, Ralph C. Unger, Clyde W. Crouse, Thomas E. Craig and Gerald W. Daley. Special lyrics and choreography for the chorus were by Clayton L. Evans. The "chorines" were in feminine attire.

Piano solo, Brahms' "G Minor Rhapsody," Miss Jean Blocher, of town, who is now a student at Lebanon Valley College, Annville; vocal solo, "Why Don't You Believe Me?" James Kress, Littlestown High School student; selections, "Climbing Up The Mountain Children," "Rigoletto" from the Opera Rigoletto, and "Dry Bones" as an encore, by the Gettysburg Lions Club Quartet, composed of Paul Grove, Dr. Clarence Bartholomew, David Blosser and Walter Melgham, accompanied by Mrs. Bartholomew.

Benefit For Bleacher Fund
Saxophone solo, "Melody of Love," Charles E. Tressler, of the local high school faculty, accompanied by an instrumental trio, with Miss Gerrie Roberts at the piano; vocal solo, "Begin the Beguine," Miss Dorothy Jones, a student of Lebanon Valley College, and a local girl. The soloists were accompanied by an orchestra consisting of Mrs. Richard A. Little Jr., pianist; Charles E. Tressler, playing sax; Alvin J. Groft, bass fiddle, and Carl Wantz, drummer.

The affair was presented for the benefit of the Memorial Field bleachers fund, and Clyde W. Crouse, chairman for the Jaycees' event, made the presentation of a check for \$100 to Paul K. King, supervising principal of the Jointure, for the fund. Mr. King accepted the gift with appropriate remarks of thanks to the Jaycees, who made the kickoff contribution of \$400 to the fund last summer. Mr. King announced that new bleachers have been ordered at a cost of \$4,057, and will be installed after arrival in the spring.

At intervals during the program, John Groft appeared humorously paging "Mrs. Ginsberg." Ushers for the evening were Suzi Long, Susan Baumgardner, Lorraine Snyder and Nancy Slusser. During intermission, refreshments were served by the Jaycees.

IKE ENDING HIS VACATION IN GEORGIA TODAY

By MARVIN L. ARROWSMITH
THOMASVILLE, Ga. (AP)—President Eisenhower ends a south Georgia vacation and flies back to Washington today — quite likely with his mind made up whether to seek re-election.

The party returning includes Mrs. Eisenhower and her mother, Mrs. John S. Doud of Denver, and the Eisenhowers' hosts here since Feb. 15, Secretary of the Treasury and Mrs. Humphrey.

There has been no hint from the President whether he will bid for a second term. No hint, for that matter, whether he has reached a decision.

May Be Wednesday
But he has indicated he will announce his plans about March 1, so the general impression is that he probably has decided on his course. He may disclose his decision at a news conference tentatively scheduled for Wednesday, but there is nothing definite as to timing.

One thing Eisenhower has done here—he has subjected his physical stamina to a rigorous test. He has engaged in by far the most outdoor activity since his heart attack Sept. 24 in Denver.

Eisenhower returned to the White House Jan. 9 after a two-week rest in Florida and said he was ready to resume "the full duties of the presidency."

Tested Endurance
He spent the next five weeks in Washington giving himself an idea of the impact of official business. Then 11 days ago he traveled to Thomasville and engaged mostly in testing his physical endurance.

He hunted seven or eight times for quail and wild turkey, spending from two to nine hours in the fields each day he chose that activity. Yesterday it was nine hours with time out for a lunch outdoors. He and Humphrey each brought down 12 quail, the legal daily limit.

His personal physician, Maj. Gen. Howard M. Snyder, said in Thomasville yesterday that Eisenhower "might be safer" from a health standpoint in serving a second term than he was before his heart attack.

Slayer Dies Friday In Gas Chamber

JEFFERSON CITY, Mo. (AP)—Sweating nervously but otherwise showing no emotion, Arthur Ross Brown gulped cyanide gas and died quickly early Friday, reaching the end he had sought for his crime-filled life.

He was executed in the Missouri prison's gas chamber for kidnapping, robbing, assaulting and slaying Mrs. Wilma Allen, 34-year-old Kansas City mother, of two, last August.

Brown, 30, readily admitted the crime when he was arrested in San Francisco in November. He pleaded guilty in federal court in Kansas City and welcomed the death penalty because "I couldn't live in prison with that crime on my mind."

G. MALENKOV IS UNDER ATTACK

MOSCOW (AP)—The Soviet press Friday published a direct attack on the Ministry of Electric Power Stations which former Premier Georgi Malenkov heads.

The ministry was accused of "procrastination" in a speech to the 20th Congress of the Soviet Communist party delivered in the Kremlin yesterday by the state planning boss, First Deputy Prime Minister Maxim Z. Saburov.

When Malenkov resigned the premiership Feb. 8, 1955, he publicly confessed he had been inefficient and not sufficiently experienced in administration.

Saburov did not mention Malenkov by name. But he left no doubt that the Soviet government is dissatisfied with the way Malenkov's ministry is being run.

"The Ministry of Electric Power Stations," Saburov said, "is procrastinating too much with the putting into operation of new equipment and electric stations. Due to this, one million tons extra in conventional terms of fuel are consumed annually at high pressure electric stations alone."

It was the first high-level criticism of this ministry since Malenkov took it over.

Before the party Congress opened, there was considerable speculation in Western circles as to whether Malenkov would retain his place.

ADVERTISE IN THE TIMES

CROWD WORRIES GRACE KELLY

HOLLYWOOD (AP)—Grace Kelly says one of the principal problems in preparing for her marriage to Prince Rainier of Monaco is the guest list. There just won't be enough room.

"I now a lot of people are going to be offended," she said, "and I'm very sorry."

"The Monaco Cathedral in which the Prince and I will be married holds only 400. Already we have had requests from over 500 journalists who would like to attend. Obviously, we can't accommodate everyone."

The actress said that except for a handful of intimates she will invite, the invitation list will be handled by Monaco authorities. She will send announcements to other friends and associates.

There will be two wedding ceremonies. Miss Kelly told the Associated Press. A short civil rite will be held April 18 and the cathedral wedding the next day.

"I don't know who will conduct it," said Miss Kelly. "It may be the Bishop of Monaco or someone from Rome or Cardinal Spellman."

There will be a reception at the palace afterwards, then we will leave on the yacht for the honeymoon.

"We'll spend most of the time aboard the yacht, but we expect to visit Spain."

HARRISBURG (AP)—Sen. Pechan (R-Armstrong) has protested a proposed cutback in General State Authority funds for rehabilitation of the 14 state teachers colleges.

"I am alarmed at the fire traps present and also the overcrowding in dormitories," he wrote in a letter Thursday to Dr. Ralph C. Swan, acting superintendent of public instruction.

Pechan invited Dr. Swan to appear at a Senate Republican caucus Monday "to apprise our membership of the dangers if something is not done in these institutions during this session."

WOODBRIDGE, N. J. (AP)—James Henning, 49, of 100 E. 4th St., Bridgeport, Pa., was killed early Friday when the truck he was driving rammed another at the intersection of Rt. 1 and Ford Ave. here.

Henning was dead on arrival at Perth Amboy General Hospital.

Sub Sighted Ending N. Atlantic Search

LONDON (AP)—The Admiralty Friday called off a search for the British submarine Acheron, sighted safe in gale-swept arctic seas after being out of radio contact for nearly six hours.

The British minesweeper Coquette radioed three hours after the Admiralty reported the Acheron overdue that she had made "visual contact" with the sub.

The Coquette also reported the Acheron, carrying 65 men, said her communications system was out of order. The Acheron then proceeded to Iceland.

Four Escape From \$75,000 Estate Fire

DEVON, Pa. (AP)—Fire Chief Frank Kelly estimates at \$75,000 the damage caused by a fire yesterday on the estate of John A. Yohn, president of a Philadelphia millwork firm.

A tenant house and a barn were destroyed in the blaze which firemen said apparently was caused by sparks from the fireplace in the house.

Mrs. Mae Denlinger, wife of the estate's tenant farmer, fled the home with her three children. Her husband, Roy, was in the barn when the fire started and helped lead 75 cows to safety after sounding the alarm.

Firemen from Berwyn, Wayne, Paoli, Malvern and East Whiteland responded to the alarm.

BROKEN AXLE IS BLAMED FOR PENNSY WRECK

ODENTON, Md. (AP)—The Pennsylvania Railroad has officially blamed a broken axle in a passenger coach for Thursday night's train wreck which killed five persons and injured more than 100 others.

The 14-car Embassy, pulled by an electric engine, was on its way from Washington to New York and moving about 80 m.p.h. when it derailed some three miles north of here and about a dozen south of Baltimore.

Four persons remained in critical condition of the 48 still hospitalized today. Anne Arundel General Hospital at Annapolis had 18, the Army Hospital at nearby Ft. Meade 16, South Baltimore General 13 and University Hospital in Baltimore 1.

J. A. Schwab, regional manager of the railroad, explained that the break would have dropped the truck frame to the rail and caused the passenger coach to derail.

The seventh and eighth cars also were derailed and the last six cars broke completely from the rest of the train, two of them overturning and three plunging down a 15-foot embankment on their sides.

The railroad said normal lubrication procedures had been followed and no defect in the bearing had been found.

Largest Farm Sale in History Of County Held: The largest public sale in the history of the county took place Friday afternoon at the Philip Miller farm, Table Rock road, with a total of \$39,400 realized on the sale of a large amount of farm equipment and stock.

The largest crowd ever to attend a farm sale, estimated at 4,000 people, gathered for the affair. Cars were parked along the Table Rock, Biglerville and Harrisburg roads for a distance of two miles from the farm. Buyers were present from at least six states.

Yamashita Is Hanged In Corn Field Wearing Patched Garb: Manila, Feb. 23 (AP) — Lt. Gen. Tomoyuki Yamashita, one-time bemedalled conqueror of Singapore, was hanged on a flood-lighted gallows before dawn today as a Japanese war criminal, wearing patched and slouchy American khaki fatigues.

His last words a prayer "for the emperor's long life," the despoiler of Manila died in disgrace at 3:02 a.m. in a cane field along with two subordinates; his body was sewed up in canvas; and he was carried away to a nameless grave among soldiers whose misdeeds sealed his doom.

Fairfield Gives Welcome Home To Servicemen: Fairfield welcomed home the veterans of World War II Wednesday evening in a banquet and program held in the community hall by the citizens of the town.

More than 350 Fairfield area residents jam-packed the auditorium for the program held following the dinner and 250 soldiers, their parents and friends were present for the turkey banquet held in the basement of the community hall.

The program in the auditorium opened with a general "community fellowship" at which more than 60 returned veterans were introduced along with their parents and the parents of men still in service.

County Blanketed By Heaviest Fall Of Snow This Year: Adams county Wednesday dug itself out of the heaviest snowfall of the winter with J. William Kendelehr Jr., state highway superintendent, stating that reports from highway workers show from 10 to 13 inches of snow throughout the county.

The 60 state highway employees who have been laboring since 2 o'clock Tuesday afternoon to keep open the main highways said the snow was the heaviest and most difficult to remove in several years.

Wednesday's snowfall, however heavy it might have seemed however, was not to be compared with the Palm Sunday snow of March 29, 1942, when snow up to 40 inches in depth blanketed the county.

THE FRESH START

We just don't gain any success at a single bound. If we do, we are apt to lose this advantage later on. Genuine, lasting success is made up of any number of fresh starts, each new one making us more efficient, and bringing us nearer to our prospective goal.

It is by the fresh starts that we all grow proficient. The inventors and scientists keep learning by them, one by one being a step forward. We cannot afford to give up after each one of our failures or disappointments. It was Don Marquis who once wrote an inspiring article for Collier's weekly in which he said that "he was full of new beginnings." How can anyone fail when sure of something better through a fresh start?

There is an old saying: "It is never too late to mend." Inspiring is the story of many a person who failed, but who kept his vision and took a fresh start. That was the case with the first Woolworth store — a failure. But the next and the next were not, and we have the example of the great enterprise represented by the Woolworth stores of today.

Phenomenal has been the success of Billy Graham in his religious meetings, where thousands have listened to his messages and taken the fresh start back to God. How happy they feel in this triumph!

An inspiring story is that one told by the famous naturalist, John Muir, in his priceless little book, "Stickeen," in which he tells of a little dog he took on one of his trips. On their return a dangerous ledge had to be crossed which Muir did easily, but the dog had to try it again and again — until he tripped, and was so happy that he danced and jumped and rolled over to express his victory.

No matter what the circumstance, there is always that opportunity for a fresh start — indeed for many of them. Never lose that chance!

THE LOST OPPORTUNITIES

Went to school but didn't learn
Much I wish I knew today.

Greek I wouldn't work to earn;
Chose an easier course instead.

There were books I didn't read;
Difficult I thought them then.

What they taught I would not learn;
Wish I had the chance again.

Now it's late, and much I've missed
Had I dared, I could have had.

No one on it to insist,
Passed it by and that's too bad.

Life is that way. When the years
And the chance they bring have flown,

Looking backward much appears
That we might have done and known.

Sen. Taylor Urges Defeat
Of Income Tax Part Of The
House Bi-Partisan Package

HARRISBURG (AP)—Senate president pro-tempore Taylor Friday urged his Republican colleagues to defeat the 2 per cent net income tax—part of the House-passed bi-partisan income-sales tax package.

Taylor, who was influential in obtaining defeat in the Senate of two previous tax programs—Gov. Leader's classified income tax and a manufacturers' excise tax—took his stand in a letter to the other 25 GOP senators.

Taylor enclosed in his letter copies of newspaper editorials critical of a state income tax.

Reflects People's Wishes
"I know this reflects the thinking of the masses of the people of Pennsylvania," Taylor said in his letter. "I trust it will help guide you in consideration of a tax program."

The income-sales tax controversy will come before a conference of the Republican senators Sunday night, possibly for a decision.

There has been talk that the GOP senate majority might drop the income tax, and raise the sales tax to a 3 per cent, with a broadened base of subjects taxed.

Bill May Pass

Taylor, who has favored a sales tax and opposed an income tax throughout the 14-month-old tax deadlock, wrote his letter in the wake of reports that some Republican senators might support the combined income-sales tax package if it developed that was the only way to break the deadlock.

"I think there will be sufficient votes in the Senate to pass the package—provided it is the only thing available for the relief of the financial situation," commented Sen. Berger (R-Potter) chairman of the Republican senate caucus.

"Nobody has committed themselves as far as I know," Berger added. "The caucus will have a great deal to do with our attitude."

Need 6 GOP Votes

Six Republican votes are needed to pass the tax bills in the Senate on the basis Democrats would support them solidly.

The Republican-Democrat tax program passed by the House this week would raise an estimated 360 million dollars. There now is pending in the Senate House-passed business taxes to raise an additional 100 million.

The 2 per cent income tax would be based on net income after deductions and exemptions allowed by the federal income tax law. It is the Democratic part of the House bi-partisan package and would raise 210 million dollars.

Doubt Tax Cut

The Republican part of the program consists of two bills. One would impose a 2 per cent levy and a selected list of subjects, mostly durable goods and luxuries to raise 119 millions. The other would levy 2 per cent on the gross receipts of hotels, motels, restaurants and clubs to raise 31 millions.

As the income-sales tax dispute headed into a new showdown, two Republican senators expressed doubt the commonwealth's new tax needs can be cut below 400 million dollars.

Sen. Wagner (R-Schuylkill) said any attempt to go under that figure could affect vital state services adding:

Need Exact Figure
"We're going to have to decide soon what the exact figure is so that we can intelligently approach

Once Popular Resort

The Washington County board of commissioners has notified the county delegation to Annapolis that it is wholeheartedly in favor of developing the site.

For over half a century Pen Mar was rated as one of the East's finest amusement parks. The park was developed by the Western Maryland Railway which operated many excursions and many other special and regular trains to the park during its heyday.

With the coming of the automobile attendance at the park dropped off and at the outset of World War II it was closed. The site was considered by the federal government for a hospital to treat poison gas cases.

When neither side in the conflict used gas as a weapon the plans for a hospital at Pen Mar were abandoned.

Orders Religious
Teaching Stopped

LANCASTER, Pa. (AP)—The school board in nearby Martic Twp. ordered a halt on Thursday to religious teaching in the township's schools.

The board said it was acting on the advice of an attorney who termed such teaching "strictly illegal."

The action followed a series of complaints by parents against the Child Evangelism Fellowship which had been conducting services in the Martic Twp. elementary school.

Until recently, the fellowship visited classrooms once a week for about 35 minutes to tell stories about children in foreign lands, for a Bible reading and to conduct a short prayer session.

The members, reading, Miss Rabenstein; Lord's Prayer in unison.

The business session was conducted by Mrs. George W. Strevig, vice president. Mrs. Edwin L. Harter, secretary, gave her report. The Society decided to sell napkins imprinted with religious verses.

The birthday of Mrs. Frank Hollinger was noted. Mrs. David Erb and Mrs. Oliver Erb were appointed to be in charge of the program for the next meeting on Thursday, March 29, at the church. The March hostesses will be Mrs. Dallas W. Shriver, Mrs. Kathryn Hull and Mrs. Albert J. Starnier. During the social hour, refreshments were served by Mrs. George Trump, Mrs. Lloyd Spangler and Mrs. Earl Brumgard.

Class Holds Supper

The Starr Bible Class of St. Paul's Lutheran Church held a covered dish supper for the members and their guests on Thursday evening in the church social hall. Prior to the meal, the invocation was offered by the pastor, the Rev. David S. Kammerer.

A patriotic program was presented with Mrs. Paul H. Scheivert as toastmistress. There were recitations by Connie Bair and Carla Sentz; readings, Mrs. Scheivert, Mrs. Arthur E. Bair Sr. and Mrs. Holman L. Sell; talk by Luther W. Ritter, the class teacher; remarks, the Rev. M. Kammerer and Arthur E. Last Period Comeback Gives GHS Cagers 51-50 Win Over Hershey; Jayvees Triumph

Trailing by 10 points after two minutes of the final period, George Forney's Gettysburg High School cagers staged a thrilling uphill battle here Friday night to squeeze out a 51-50 victory over Hershey in a hair-raising finish to wind up their season with an 8-12 record.

The Warriors got off to a 6-1 lead then lost the advantage at 9-8 but swung back into a 12-11 lead at the end of the first period.

Hershey caught up early in the second quarter and ran up 12 straight tallies to take a 23-14 lead at the middle of the quarter. Barry Daniels, sophomore, landed four goals to lead his team to a 30-21 half time edge as the Trojans appeared well on the way to victory.

Hershey Bulls Lead

Earl Little, who wound up with 22 points to be high man for the evening, dribbled through for a goal to open the second half. A goal and foul by John Fetterhoff gave the visitors their biggest lead at 35-23 after two minutes and then the Warriors began to show signs of life.

A foul by Glenn Weishaar, goal by Little and another free toss by Weishaar, Tom Kitzmiller's long toss and a pair of fouls by Little pared the lead to 35-31. Hershey recovered on a pair of fouls by Reilly and Daniels netted his only goal of the period to make it 39-31 going into the last period.

A pair of fouls by Weishaar followed by his goal cut the deficit to 39-35 after 1:45. The Warrior cause appeared hopeless when Pascal DiMaggio netted two free tosses, added a goal which was followed by another by Daniels, to make it 45-35 with six minutes remaining.

Little Sparks Drive

Gettysburg refused to play dead dog and came on with its thrilling finish. Little opened the drive with two fouls and a goal before Reilly netted a free toss for Hershey. Bobby Hess sank two beautiful shots from the side and Little went under for a layup. Little knotted the score with two foul conversions with 3:02 minutes left.

Kitzmiller rammed through a long toss to put the Warriors on top for the first time since early in the second period at 49-47. DiMaggio netted the second of two free tosses with 1:30 remaining. The Warriors began to stall and finally Little got away for a goal with one minute remaining. The final 60 seconds were hectic and made more so when Lee Moyer sank a jump shot with 20 seconds to go. There was some wild scrambling in the waning moments but Gettysburg managed to hold on as the final buzzer sounded.

The entire Warrior squad must be given credit for the hard-earned victory. Merle Gorman, Glenn Weishaar, Rolf Johnson, seniors, took part in their final game. Bill Woods and Dick Stough are also seniors.

Scrubs Lead All Way

Ray Ellis' Jayvees got the evening off to a good start for the local fans by leading all the way to gain an easy 47-34 victory in the preliminary. Steinour led all scorers with 15 tallies. The win left the scrubs with a 4-15 mark for the campaign.

STEVENS NAMED TEMPLE COACH

PHILADELPHIA (AP)—Pete Stevens, former head football coach at Ursinus College and one-time player for the Philadelphia Eagles in the National Football League, is the first alumnus of Temple University to become its football coach in 31 years.

Stevens, named head coach at Temple yesterday, was captain of the Owls' undefeated 1934 team that inaugurated the Sugar Bowl at New Orleans. He succeeds Al Kaval, who resigned before the start of last season. Josh Cody, Temple's athletic director, filled in as coach for 1955.

The last alumnus who served as head coach was Elwood Geiges in 1925.

Sunspots are scheduled for an 11-year peak in 1957-58, says the National Geographic Society.

Johnson And Weishaar Are GHS Co-Captains

Rolf Johnson and Glenn Weishaar, seniors, were named honorary co-captains of the Gettysburg High School basketball squad for the past season at a meeting of the squad Thursday.

Johnson, hard-driving forward, was one of the top scorers throughout the South Penn League season. In his last several games he tapered off somewhat due to fouling and Friday night against Hershey played less than half of the game because of excessive fouls.

The slightly-built Weishaar drew assignments against many top opponent scorers and always turned in a hustling and very creditable assignment.

Their absence is certain to be felt next season.

DELONE LACES MT. CARMEL FOE BY 34 POINTS

The Delone Squires racked up their third straight win in the Central Penn Catholic league by jolting Mt. Carmel Catholic 89-55 on the McSherrystown court Friday night.

The Squires are now 3-1 in league standing which places them in a tie for second place with York Catholic. Mt. Carmel dropped all five of their second half games. Earlier in the season the Squires led a thrilling 73-71 contest to the Ramblers on the Mt. Carmel court.

Delone jumped out in front in the initial period.

Carroll Funk netted five goals while Dick Smith, second leading scorer in the league, dunked six goals and a foul shot to give the Squires their first quarter total of 23 points. The Ramblers scored their first point 1:15 minutes after the game got underway when Coach Griscavage hit on a one handed jump shot. Griscavage came right back to rip the cords with another goal and free toss. Jack Politza and Bob Darrup were the only other Ramblers to tally.

Take Commanding Lead

Coach John Yovisic's team played five throughout the first half and it paid off. Delone outscored their opponents 26-14 in the second frame to compile a handy 49-23 lead at half time. Again Smith and Funk led the scoring with four and three field goals respectively. This time they were aided by a pair of goals from Phil Staub, a couple of fouls by Joe Polist and Ed Roth.

Polist and Ed Roth were in with two one handed jump shots and a pair of charity shots.

During the first half Delone committed only four personal fouls and they made five out of five from the free throw line.

In the second half Delone rolled steadily on as they dumped in 27 more points in the third frame with Roth, Funk, Smith and Polist taking command of the scoring.

Joe Shultz tossed in one goal followed by four out of five fouls to pace the Ramblers. Darrup and Griscavage landed two pointers from the outside while Bob Marenelli and Jerry Boyle contributed from the foul line. After three frames Delone was out in front 76-39.

Use New Team

Delone substituted an entire new team. Then Mt. Carmel outscored the Squires 16-13. Bob Darrup landed three goals followed by two pointers by Petrovich and Terry Brennan. Brennan, Boyle and Griscavage boosted the score with charity shots. Jim Strazella, Tom Klunk and Ed Roth each landed three points while Herb Horwedel and Joe Polist tossed in single goals.

Carroll Funk and Dick Smith, scoring heavily the first three frames, took scoring honors with 26 and 23 points respectively. Coach Griscavage landed 11 for the Ramblers while Bob Darrup followed with 10.

In the preliminary contest, the Delone reserves got off to 9-6 first period start and were able to keep up that small lead throughout the game as they turned back the Mt. Carmel reserves 45-32. The highest scorers totaled only nine points for each team. Lloyd Washington and Chuck Weaver hit the figure for the Squires while Larry Joyce came up with the same number of points for the Ramblers.

On Sunday Delone will entertain York Catholic at McSherrystown in the final conference game of the season.
